1. Advanced English as a Second Language
2. Management Leadership
3. Strategic Information Technology

Udacity:

1. AI Fundamentals
2. Android Developer Fundamentals
3. Data Analysis Fundamentals
4. Programming Fundamentals

VOLUNTARY WORK

Food Collection and Distribution Volunteer

- Actively participated in the **Areaya Zerihun Charity Club**, contributing to the collection, organization, and distribution of food supplies to vulnerable individuals and families facing food insecurity. This role fostered my commitment to social responsibility, strengthened my teamwork and communication skills, and gave me firsthand insight into community support efforts.

09/2024 – 06/2025
Mekelle, Ethiopia

LEADERSHIP EXPERIENCE

ICT Club Coordinator

- As the **ICT Club Coordinator**, I led and organized various club activities, including workshops, seminars, and events to promote technological awareness among students. I was responsible for representing the club's interests to faculty and administration, coordinating projects, and fostering a collaborative environment for students interested in ICT. This role helped me develop leadership, communication, and organizational skills.
